**Public Health Advisory**

**Symptoms**
- Fever
- Cough
- Shortness of Breath

**How it Spreads**
- Close Contact with People
- Symptoms may start 2-14 days later

**Symptoms**
- There is no vaccine yet
- Visit www.cdc.gov for travel guidance

**Prevention**
- Wash hands with soap and water for 20 seconds
- Avoid contact with sick people
- Don't touch your face

**If You Are Sick**
- Stay at home
- Avoid contact with others
- Cover your mouth and nose
- Keep objects and surfaces clean
- Wear a mask only if sick

If you have recently visited China, Iran, South Korea, Italy, Japan or Hong Kong, phone your healthcare provider for instructions.

People should not be excluded from activities based on their race or country of origin.

**Avoid traveling to affected areas**
- Don't travel if you have a fever and a cough
- Seek medical advice if you become ill
