ARNOT HEALTH FOUNDATION

OUR SHARED VISION

Arnot Health to be recognized as the premier regional health care system delivering high quality, safe, cost effective, socially responsible health care services to all we serve.

OUR MISSION

Arnot Health Foundation will raise funds and awareness for projects and services that will maintain and improve the quality and patient care at Arnot Health and its affiliates.

STATEMENT OF VALUES

Integrity:

We commit ourselves to upholding the moral principles of honesty, trust and honor.

Excellence:

We strive to achieve the highest level of performance, service and quality in all we do, each and every day.

Leadership:

We pledge to be visionary leaders in the community through innovation and collaboration.

Accountability:

We affirm the ethical responsibility to be good stewards of the resources and assets entrusted in us.

MESSAGE FROM THE PRESIDENT

**Jonathan Lawrence, MHA,
FACHE**

*President and
Chief Executive Officer
Arnot Health*

We are pleased to present the Arnot Health Foundation's 2023 Annual Report. Your generous donations have once again been strategically invested to ensure our services, our skills, and our facilities continue to support the highest quality of care.

In 2023, with the Foundation's support, Arnot launched our Epic information technology initiative to bring all the attributes of a fully integrated, state-of-the-art, electronic health record to everyone throughout the Arnot Health family. When it is launched in 2025, our patients and their providers will have the benefit of having their medical care and test results accessible through a single system that spans emergency room, hospital care, and outpatient office-based services. This will be a truly transformational change in the way care is delivered and experienced by our patients, our providers, and our staff.

Arnot's commitment to ensuring our patients have access to the latest clinical technology is also reflected this past year in the Foundation's support of Women's and Children's Services with donations to our Neonatal ICU, Labor and Delivery Services, and Obstetrics/Gynecology service line.

With the Foundation's ongoing funding of educational scholarships, Arnot continues to attract and support the next generation of nurses, medical residents, and imaging technology students at a time of significant competition for a limited pool of talent.

These are just a few of the many examples of how the Foundation is investing so that our team members have the tools, skills, and facilities to ensure the best possible experience for our patients and their families.

On behalf of our entire Foundation Board and all of us at Arnot Health, I extend our profound gratitude for your continuing generous support.

MESSAGE FROM THE EXECUTIVE DIRECTOR

Lisa Ventura

*Executive Director
Arnot Health Foundation*

Another year has come and gone, and the Arnot Health Foundation welcomes this opportunity to say thank you.

Nearly 1,900 donors supported Arnot Health last year. Our board members – of both the Arnot Health Foundation and the Keuka Health Care Foundation – worked tirelessly to enhance our ability to provide the finest in medical equipment and training. Among our donors are employees, who already give so much through their talents and compassion, making a true statement of their commitment to our purpose.

That support came to life in the form of purchases such as an infant security system, neonate monitors and bassinets for our littlest patients. Nurse call systems at Ira Davenport and Taylor Health were upgraded and the enhanced Serenity Space at the Falck Cancer Center was unveiled. The Arnot Cares Fund assisted employees facing financial hardship with \$20,000 in grants. Each gift has provided our patients, staff, and community with state-of-the-art facilities.

The year also brought sadness with the passing of Foundation Board Chair Mike Lares. His dedication to our mission was deeply felt, as is his absence. We honor him by continuing the important work he was so devoted to.

I have immense gratitude to the Foundation staff who continue to amaze me with their desire to look for new, innovative ways to make our events better and better and who work to exceed expectations year after year.

The future brings new challenges and new opportunities to serve. With the ongoing support of all of you, Arnot Health will continue its mission of patient-centered excellence. Thank you for being an essential part of that mission.

Children's Miracle Network GOLF TOURNAMENT

Children's Miracle Network hosted its annual golf tournament on August 18th at the Elmira Country Club. The event had over 35 teams with AM and PM Flight options.

Dr. Matthew Brand is gearing up for the ultimate Putting Contest challenge!

Get ready for a tasty lunch brought to you by the wonderful lunch sponsor- Space Labs, with a special shoutout to Amelia, a 2016 NICU Grad!

Our golfers had a sweet start to their day thanks to Dunkin' Donuts! With a generous donation of CMN-themed donuts, everyone was amped up and ready to change kids' health to change the future!

25th Annual DAVENPORT & TAYLOR GOLF CLASSIC

Keuka Health Care Foundation hosted its 25th Annual Davenport and Taylor Golf Classic on June 29th at the Bath Country Club. The Golf Classic has raised more than \$340,000 over the past twenty-four years in support of Davenport & Taylor.

Gala 2023

(L-R): Chief Executive Officer of Arnot Health, Jonathan Lawrence, honoree Beverly Hulslander, and Arnot Health Foundation Executive Director, Lisa Ventura.

The Arnot Health Foundation hosted its annual Gala on June 3, 2023, at the Elmira Country Club. The event featured a Galaxy theme and celebrated the 50-year anniversary of Arnot Ogden Medical Center's Neonatal Intensive Care Unit. The honoree was Beverly Hulslander, a 1970 graduate of the Arnot School of Nursing, and 42-year retiree of Arnot, serving as the Director of the Surgical Department for decades.

President and Chief Executive Officer of Arnot Health, Jonathan Lawrence thanks the sponsors and attendees for making the Gala a success. The event raised over \$120,000 for equipment and patient services at Arnot Health.

NICU Grad Seth Breckenridge, accompanied by his Mother and Grandmother, spent the night selling premie diapers to raise funds for state-of-the-art bassinets for our Labor & Delivery & Maternity units.

Staff of Arnot's State Certified Level 3 NICU are recognized for the expert and compassionate care they've given through the years. The NICU opened in July of 1972 and has provided lifesaving care to over 17,500 infants throughout 10 counties.
