**We're Upgrading  
for You!**

We're excited to announce that we're transitioning to **Epic, our new Electronic Medical Record (EMR) system**, to enhance your care experience.

During this transition, you may experience **longer wait times at check-in and check-out** as our team gets familiar with the new system. We appreciate your patience and understanding as we work to make this a smooth process for everyone.

Thank you for choosing Arnot Health for your care. We're committed to bringing you the best in healthcare technology!

**Questions?** Our staff is happy to assist you.
